We present this three-storey town house, south facing and with spectacular views of the castle of Álora and the Guadalorce valley. The house is distributed over two floors, the main one with a living room, four bedrooms and a bathroom. It also has a spacious kitchen with a good-sized interior patio. The upper floor has a room that can be converted into a bedroom or used for any other convenience. It also has a very large solarium terrace with stunning views. In addition, the house benefits from a basement garage of 139m² that can be used to extend the house, make another flat and convert it into a private garage. A good investment opportunity. ref:APN7389... (Ask for More Details!)
