TWO-BEDROOM BUNGALOW ON A GATED COMMUNITY IN QUESADA

Welcome to this charming two-bedroom, one-bathroom bungalow is situated within a gated community in a popular and well-established area of Ciudad Quesada, offering an excellent opportunity for buyers looking for a property they can modernise and make their own. The property is all on one level, providing practical and easy living with no stairs, making it suitable as a permanent home, lock-up-and-leave holiday property or investment. While the bungalow would benefit from some refurbishment and modernisation, it already offers some valuable upgrades, including new double-glazed windows and mosquito blinds, helping to improve comfort, insulation and year-round enjoyment.
