Discover this charming detached rustic house situated in the peaceful Mas Pavia residential development in Turís, an ideal setting for those seeking privacy, nature and a sustainable lifestyle. The property stands out as a fully self-sufficient home, offering energy independence thanks to solar panels, a cistern water supply and a rainwater harvesting system, making it perfect for an environmentally friendly lifestyle.

Set on a spacious, private plot, the villa enjoys peaceful natural surroundings, with outdoor areas designed for relaxation and leisure. It features a traditional paella grill, a pleasant terrace, a generous outdoor area and parking for several vehicles.

Inside, the property offers a well-designed and functional layout, with direct access from the... (Ask
