Los Alcázares, near the golf course.

APARTMENTS for sale in a beautiful project that is sold by a FUND, which makes the prices EXTREMELY attractive. This means that a large number of them have been reserved immediately. The project consists of 162 existing apartments. These will be sold in phases. From previous, similar sales, we know that the prices will increase per phase.

These apartments are apartments that have always been rented out for tourism up to now. As a result, they also have a TOURIST LICENSE. In the autonomous region of Murcia, these permits go with the property. In concrete terms, this means that when you...(Ask for More Details!)
