This spacious Ático Dúplex Tipo 6, located in Block 3 of the Blue Gardens Jávea residential complex, is arranged over the second and third floors and offers a highly functional duplex layout with generous interior spaces and multiple outdoor areas.

On the main level (second floor), the apartment features a bright living-dining area with direct access to a private terrace, ideal for outdoor dining and everyday relaxation. This floor also includes a separate kitchen, an independent laundry room, storage spaces, a bedroom, and a full bathroom, making the layout practical for guests or flexible family living.

An internal staircase leads to the upper level (third floor), which is designed as the private...(Ask for More Details!)
