Nestled in the serene hills of Altea La Vella, this exquisite villa offers the perfect blend of Mediterranean elegance and tropical inspiration. Set on a 1,671 m² plot, the 373 m² home is designed entirely on one level, creating a seamless connection between indoor comfort and outdoor living.

The villa features three spacious en-suite bedrooms, each opening directly onto the terrace to capture the spectacular sea and mountain views. The open-plan living area, inspired by Bali-style architecture, showcases refined materials, a gas fireplace, and floor-to-ceiling windows that frame the glittering Bay of Altea.
