In the charming area of Alicante, in El Vergel, just a short distance from Denia and a stone's throw from the beautiful beach, a revolutionary residential concept is taking shape, blending sustainability, modern design, and a lifestyle in harmony with nature. This innovative residential project, in its initial phase, offers 65 homes, comprising both apartments and townhouses with 2 to 3 bedrooms. With a focus on energy efficiency and eco-friendly principles, the design aims to blend with and respect the surrounding natural beauty. Living spaces range from a cozy 66 m² to a spacious 163 m², catering to diverse lifestyle needs. Sustainability is at the heart of this development. It incorporates rainwater...(Ask for More Details!)
