Minimalist Luxury Villa with Sea Views

A Modern Architectural Jewel in Residencial in Cumbre del Sol

When land and architecture come together in harmony, the result is this Villa -a sophisticated luxury villa that exemplifies balance, elegance, and innovation. Situated in the exclusive Residencial in Cumbre del Sol, this stunning home offers a unique opportunity to live surrounded by natural beauty while enjoying all the comforts of modern design.

Defined by its bold geometry, Villa Indigo is composed of interwoven cubic volumes, creating a striking architectural silhouette. The villa's clean lines, minimalist aesthetic, and thoughtful orientation emphasize natural light, open space, and panoramic views of the Mediterranean Sea.
