Located in one of the most established and sought-after residential areas of the Costa Blanca North, this exclusive project features a series of villas with a thoughtful architectural vision: a warm, timeless Ibiza-Mediterranean style that seamlessly integrates with the surrounding nature.

Each home is designed with a focus on comfort, ample natural light, and a fluid relationship between indoor and outdoor spaces. Spacious, open floor plans, large windows, and a soft, natural palette create a serene atmosphere where relaxation is key. The finished plots with private pools and high-quality finishes make these homes a luxurious and low-maintenance living environment.
